Bob –

Andrew and I talked. We scheduled a call for tomorrow...I can recap our discussion. I'll be at my desk until I have another meeting at 3.

Sorry about delay in responding. Are you still in the office or working at home, or off now?

Can Nikki and I have a preliminary conversation today, and then you two could catch up tomorrow?

I'll do my best to be available but I might not be able to leave the meeting as we are developing enforcement strategies that need my input. Can this wait until tomorrow morning?

The latest I can realistically do is 1:45. Have to run to catch a train early today. Leaving office no later than 2:15.
